Injury Prevention

Personalized Training Plans

The Enki Advantage

$$\text{Enki} = \begin{cases} 20\% \text{ increase in performance} \\ 30\% \text{ reduction in injury risk} \\ 50\% \text{ faster recovery times} \end{cases}$$

WHAT ARE THE FEATURES OF THIS PRODUCT?

- AI software

- Touchscreen interface

- Battery

- Plastics

- Charger

- M3 Chip

OUR PRODUCT

1. **User Testing: We collaborated with athletes, coaches, and sports organizations to test our prototypes in real-world scenarios.**

1. **Data Analysis: We collected and analyzed performance data and user feedback to identify areas for improvement.**

2. **Refinement: Based on the insights gained, we refined our prototypes, enhancing features like data accuracy and user interface.**

THANK YOU !
